### *Third Nordic customer survey*

This is the third time that we conduct a Nordic customer survey and we hope that you will spend a few minutes with it and give us your valuable information.

All responses will be protected under data privacy rules and regulations, and there will not be stored any links between respondents and answers given. You will not be contacted by us based on this survey, without your explicit consent.

The survey takes about five minutes to complete. And if you choose, you can participate in the draw for five exclusive coffee mugs.
