

LATEST NEWS:

All about digitalisation - from our digital transformation month

Digitalisation or digital transformation is now beyond hype, it is a fact and it is happening right now. You may not have seen the effects yet but you will.

This month (May) we have blogged about the subject and below are our top stories:

[The digital transformation marathon](#)

[Is your workplace digital?](#)

We will keep blogging about this so stay tuned!

Agility through digital transformation

Join us - and witness inspiring keynotes and success stories on how enterprises are winning with WSO2 cutting edge technologies in a connected world at WSO2Con Europe in London.

From the agenda:

- 12 tracks that include API management, IoT, integration, analytics, mobile, cloud, and more
- Keynotes include Forrester Research and more
- Digital predator or prey: Which will your company be?
