

Redpill Linpro's monthly newsletter will bring you updates on news, events, blogs and more. Articles in local languages can be found on our country specific websites.

#### LATEST NEWS:

### *Help us understand your needs*

This is the second time that we conduct a Nordic customer survey and we hope that you will spend a few minutes with it and give us your valuable information. Answers provided will help us improve service levels, develop our solutions and adapt our offerings to current needs in the market.

All respondents will, if they choose to, participate in the draw for a [Samsung Galaxy Tab](#).

[Data privacy rules and regulations](#).

The survey takes about five minutes to complete. [Start the survey!](#)

### *Training Credits available*

Our Training Credits can be used on any public or on-site Redpill Linpro Training. They are easy to purchase and simple to administrate. In addition they serve as an opportunity to use unallocated budget effectively and achieve volume discounts.

### *Like to be inspired and energised?*

In that case you should stop by our Developers Evening on December 8th in Oslo! This evening we set off for those who love technology, methods and news within development.

From the agenda:

- \* Creative coding
- \* Behaviour driven development
- \* Responsive web design
