Nordic Open Source newsletter on digital transformation, June 2018

## eArchiving, DevOps and Microservices

Summer and vacation is closing in, however for most of us there is still a lot to finalise and lots to dig into before well deserved lazy days. If you can spare a couple of minutes we suggest that you spend them on exploring if below can be of interest.

Looking for previous edition of our newsletter? Don't look any further - [here it is!](#)

Do you rather read in-depth tech stuff? [Visit our tech blog](#), with posts written by our experienced techies.

### eArchive in Gothenburg and Stockholm

[VGR \(Västra Götalandsregionen\)](#) shares their experiences from [eArchiving](#) at our event "Modern e-archive for public sector" in [Gothenburg September 12th](#) and [Stockholm September 19th](#). Register to learn their most valuable findings!

### DevOps Tech day in Oslo, September 4th

A day that focuses on the "Ops" part of DevOps, you'll also be given a chance to learn about some of the "Oops" and how to avoid them. You can expect great keynotes

and presentation, and a chance to talk to all those other guys out there who struggle with the same DevOps challenges that you do.
